## Privacy

We are committed to protecting the privacy and confidentiality of your personal information. When you visit and navigate our site and when you communicate with us via our site, we will not collect personal information about you unless you provide us that information voluntarily. You should be aware that when you visit our Site, we collect certain information

that does not identify you personally, but provides us with "usage data," such as the number of visitors we receive, what pages are visited by a visitor or the ISPs or types of browsers most frequently used. This data helps us to analyze and improve the usefulness of the information we provide at this Site and our products and services.

Like most commercial website owners, we may also use what is known as "cookie" technology. A "cookie" is an element of data that a website can send to your browser when you link to that website. It is not a computer program and has no ability to read data residing on your computer or instruct it to perform any step or function. By assigning a unique data element to each visitor, the website can recognize repeat users, track usage patterns and better serve you when you return to that site. For example, a cookie can be used to store your preferences for certain kinds of information or to store a password so that you do not have to input it every time you visit our Site. The cookie does not extract other personal information about you, such as your name and address. Most browsers provide a simple procedure that will enable you to control whether you want to receive cookies by notifying you when a website is about to deposit a cookie file. In addition, we may use cookies and/or devices called "web beacons" provided by our ad serving technology vendor to help manage our online advertising. The information collected via this ad serving technology is not personally identifiable. Please note that in certain areas of this Site there may be additional information concerning the privacy practices applicable to the use of that area.

These Terms are not intended to capture the full scope of your Privacy Rights. Please see Penn Capital's Privacy Notice, for additional Regulation S-P required privacy disclosures.

## Governing Law and Venue

These Terms of Use and any dispute or claim arising out of or in connection with them or their subject matter (including non-contractual disputes or claims) shall be governed by and construed in accordance with the laws of the State of Pennsylvania, without regard to its conflict of laws principles.

You agree that any legal action or proceeding arising out of or relating to these Terms or your use of the Website shall be instituted exclusively in the state or federal courts located in Philadelphia, Pennsylvania. You irrevocably submit to the exclusive jurisdiction of such courts and waive any objection to the laying of venue in such courts, including any claim that such venue is inconvenient.

You further agree to waive any right to a jury trial in any such action or proceeding.

## Limitation of Liability

To the fullest extent permitted by law, under no circumstances and under no legal theory (whether based in equity, contract, negligence, other tortious action, strict liability, or any other theory of liability), shall Penn Capital, its officers, directors, employees, subsidiaries, or affiliated companies be responsible for any direct, indirect, incidental, special, consequential, or punitive damages, such as, but not limited to, loss of revenue, loss of anticipated profits, goodwill, diminution of value, business interruption costs, or any other intangible losses (even if we have been advised of the possibility of such damages) arising out of, related to, caused by, or resulting in any way from damage from any security breach or any other security intrusion, or any virus, bugs, other malicious software or harmful components, tampering, interruption, delay in operation or transmission, computer line or network failure, or any other technical or other malfunction. Some jurisdictions do not allow the exclusion or limitation of liability for consequential, incidental, or other damages, so the above limitations may not apply to you. In these jurisdictions, Penn Capital's liability will be limited to the maximum extent permitted by law.

You will indemnify and hold harmless Penn Capital, its affiliates, and any of their respective officers, directors, and employees, from and against all damages, judgments, settlements, penalties, costs, and expenses (including attorneys' fees) paid or incurred in connection with claims due to, resulting from or arising in connection with your use of this Site or breach of this Agreement.

## Electronic Communications

By using our Web site or providing us with your email address or other contact information, you consent to receive all notices, agreements, disclosures, and other communications from us electronically. This includes marketing emails, promotional offers, transactional messages, and service-related communications. You agree that such electronic communications satisfy any legal requirement that such communications be in writing.

## Survival, Waiver

These Terms shall survive any termination of your account or any termination of this agreement. The failure to enforce or insist upon compliance with the Terms shall not constitute a waiver thereof.

## Entire Agreement

These Terms constitute the entire agreement between Penn Capital and you with respect to the Site and may be adjusted only in accordance to written agreement signed by an authorized Penn Capital representative.

## Severability

Should any provision of these Terms be determined to be invalid, void, illegal or unenforceable for whatever reason, such provision shall be ineffective and modified so that it is a legal provision that most closely resembles the parties' intent.
